ELEVATE II

Anthro's most popular family of electric lift tables.

About the Elevate II Single Surface

Meet Anthro's Elevate II Single Surface – a strong, sophisticated sit/stand desk at a budget-friendly price.

Choose from 2 widths (48" or 60") and 2 depths (a Shallow 23.25" that's perfect for laptops or a Deep 29" with more room for a monitor and keyboard). Elevate II has the size you need to fit your space and all your equipment.

Electric lift legs adjust 28"–47" high for your comfort. Ideal for when you want to work sitting or standing or for multiple users that share the same work space.

About the Elevate II Adjusta

Dual-surface Elevate II Adjusta is the ultimate standing desk with complete adjustability.

Push a button to electrically move the front and back worksurfaces simultaneously. Then squeeze a lever to position the front keyboard surface exactly where you want, with a range of 6" below the back surface to 7" above it.

Available in 3 finishes and 2 widths (48" and 60"), Elevate II Adjusta fits your space and hardware.
